How does Vision 21 Cyfle Cymru protect data?

We take the security of your data seriously. We have internal policies and controls in place to ensure that your data is not lost, accidentally destroyed, misused or disclosed, and is not accessed except by our employees in the performance of their duties.

You will be asked when you submit your application whether you give us your consent to hold your details for the full 12 (twelve) months in order to be considered for other positions or not.

If your application is successful, personal data gathered during the recruitment process will be transferred to your volunteer file (electronic and paper based) and retained during the duration of your placement.
