Just a little note to say thanks for stopping by!

In case you didn't know, we are a social enterprise supporting people with learning disabilities. During the week, they work alongside our staff in the cafe, as well as in the other projects you see around the centre.

Whether you eat with us, take part in an event, or buy a gift, your money goes directly back into maintaining and developing our V21 projects.

Thank you for supporting us. We'd love to see you again soon!
